THE ST ANTOINE PLANTERS CO-OPERATIVE TRUST

Chairman's Report

On behalf of the Board of Trustees of the Saint Antoine Planters Co-Operative Trust (SAPCT), it gives me immense pleasure to associate myself with the publication of the 2019/20 Annual Report.

Sincere to the vision of the SAPCT, an institution with the view of assisting sugar cane planters of the Ex-Saint Antoine Factory Area, the SAPCT Board of Directors has left no stone unturned to improve its services.

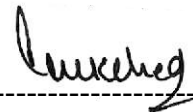

I wish to express my heartfelt thanks and gratitude both to the SAPCT Board Members for their invaluable support and advice in formulating policies/schemes and the Secretary/Manager for implementing them in turn.

Since the abolition of guaranteed prices under the Sugar Protocol in the year 2009, revenue from sales of Mauritian Sugar kept on falling which result in a decrease in income for sugar cane planters.

In light of this situation, the SAPCT started to devise new schemes to supplement the existing schemes which provided loans at low interest rate and over long term repayment period to support sugar cane planters of the Ex-Saint Antoine Factory Area. In year 2016, the SAPCT introduced schemes in term of financial grants for Cutting, Loading and Transport, on Purchase of Fertilizers and on Purchase of Sprayers. The Schemes were well acclaimed by the planters.

The SAPCT fully financed the Grant Schemes through income generated from investment of the SAPCT Funds. The SAPCT always stands to support planters of the Ex-Saint Antoine Factory Area to maintain their plantation.

I am confident that this Trust will consistently deliver the services with excellence and hope that this report will give the reader a clear picture of the variety of activities carried out by the SAPCT.

THE ST ANTOINE PLANTERS CO-OPERATIVE TRUST

Risk Management

The Organization Risk Management Framework, operational since 2014 is now an essential strategic tool to ensure that SAPCT achieves its objectives. Risk Management is now embedded in both SAPCT operations and organization's culture.

The SAPCT Board has the ultimate responsibility for risk management. This responsibility is then delegated to the Secretary/Manager for day-to-day management. This exercise is done on a regular basis by the Secretary/Manager. Result of this exercise is then discussed with the SAPCT Board and necessary action is taken as per Board decision.

The three top risks identified and being constantly managed and monitored at Board and management level are:

(i) Fund Investment Risk

Investing all the funds with one banking institution is quite risky. To reduce the risk the Board had set up an investment threshold that should be respected whenever an investment is being made.

(ii) Risk of events which may affect business continuity

There are many events that can prevent the organization from continuing its normal operations. The SAPCT has identified events for which it is prepared.

(iii) Risk of non-compliance to statutory requirements

The SAPCT Act and Statutory Bodies (Account & Audit) Act lays down the statutory requirement in respect of submission of statements to assess the efficiency of the organization, submission of an Annual Report including the financial statements within four month of the end of the financial year to the Director of Audit. Given the existence of various constraints which may hamper the achievement of these statutory obligations, SAPCT has recognized same as a risk that should be managed.

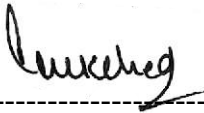

THE ST ANTOINE PLANTERS CO-OPERATIVE TRUST

Management responsibility for the Internal Control System

The management is responsible for designing, implementing and maintaining internal systems relevant to the SAPCT functions including controls relevant to the preparation and presentation of the financial statements.

Such systems should ensure that all functions are in line with best practices, that all transactions are authorized and recorded and that any material weaknesses or irregularities are detected and rectified within reasonable time-frame. Controls are reviewed on an on-going basis by the management and Board.

The Board is kept informed of the progress on the implementation of the recommendations either through feedback reports from management or by follow-up exercise.

REPORT OF THE DIRECTOR OF AUDIT TO THE BOARD OF TRUSTEES OF THE SAINT ANTOINE PLANTERS CO-OPERATIVE TRUST

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of the St Antoine Planters Co-operative Trust, which comprise the statement of financial position as at 30 June 2020 and the statement of financial performance, statement of changes in equity and statement of cash flows and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the St Antoine Planters Co-operative Trust as at 30 June 2020, and of its financial performance and cash flows for the year then ended in accordance with Financial Reporting Standards for Small Entities (FRSSE) issued under Section 72 of the Financial Reporting Act.

Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report. I am independent of the St Antoine Planters Co-operative Trust in accordance with the INTOSAI Code of Ethics, together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key Audit Matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

I have determined that there are no key audit matters to communicate in my report.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report of the St Antoine Planters Co-operative Trust, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards for Small Entities (FRSSE) issued under Section 72 of the Financial Reporting Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the St Antoine Planters Co-operative Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible of overseeing the St Antoine Planters Co-operative Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the St Antoine Planters Co-operative Trust's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the St Antoine Planters Co-operative Trust's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the St Antoine Planters Co-operative Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Management's Responsibilities for Compliance

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible to ensure that the St Antoine Planters Co-operative Trust's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in an entity's financial statements.

Auditor's Responsibilities

In addition to the responsibility to express an opinion on the financial statements described above, I am also responsible to report to the Board of Trustees whether:

- (a) I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;
- (b) the Statutory Bodies (Accounts and Audit) Act and any directions of the Minister, in so far as they relate to the accounts, have been complied with;

- (c) in my opinion, and, as far as could be ascertained from my examination of the financial statements submitted to me, any expenditure incurred is of an extravagant or wasteful nature, judged by normal commercial practice and prudence;
- (d) in my opinion, the St Antoine Planters Co-operative Trust has been applying its resources and carrying out its operations fairly and economically; and
- (e) the provisions of Part V of the Public Procurement Act regarding the bidding process have been complied with.

I performed procedures, including the assessment of the risks of material non-compliance, to obtain audit evidence to discharge the above responsibilities.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Statutory Bodies (Accounts and Audit) Act

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

As far as it could be ascertained from my examination of the relevant records:

- (a) the St Antoine Planters Co-operative Trust has complied with the Statutory Bodies (Accounts and Audit) Act; and
- (b) no direction relating to the accounts has been issued by the responsible Minister to the St Antoine Planters Co-operative Trust.

Based on my examination of the records of the St Antoine Planters Co-operative Trust, nothing has come to my attention that causes me to believe that:

- (a) expenditure incurred was of an extravagant or wasteful nature, judged by normal commercial practice and prudence; and
- (b) the Trust has not applied its resources and carried out its operations fairly and economically.

Public Procurement Act

In my opinion, the provisions of Part V of the Act have been complied with as far as it could be ascertained from my examination of the relevant records.

10. Comparison of Budget with Actual

The SAPCT presents its Financial Statements and Expenditure Budget on an accrual basis and cash basis respectively. The original expenditure budget covers the period from 1 July 2019 to 30 June 2020.

- (i) Revenue surplus pertains to actual revenue from fixed deposits computed by the banks exceeding the budgeted projections and bank interest on savings accounts.
- (ii) The difference under Grant Schemes occurred due to less payments effected because planters availed of free fertilizers under the Advance supply of Fertilizers Scheme to Sugarcane Planters for Crop Year 2019-20 under government policy.

11. Related Party Transactions

No related party transactions took place during the financial year ended 30 June 2019.

12. Board Remuneration

The remuneration of Board members during the year was as follows:

	July 2019 to June 2020	July 2018 to June 2019
	Rs	Rs
Allowances to Board Members	<u>368,185</u>	<u>355,430</u>

The amount paid for Board fees shows an increase compared to last year due to new rates applicable for Sub Committee Meetings as per recommendation made through Internal Audit Report.

13. Contingent Liability

For the financial year ended 30 June 2020, there was no pending litigation, claim, judgment or settlement to which the Trust was a party, or of any transactions or charges in the Trust's policies or business activities.
