### **Chairman Report**

On the behalf of the Board Members and Management of the St Antoine Planters Co-operative Trust, I have the privilege to associate myself with this Annual Report 2023-2024.

The Report highlights the achievements of the St Antoine Planters Co-operative Trust (SAPCT) during the financial year and gives an insight of its objectives, mandate, Governance structure and the framework within which the operations were carried out.

The SAPCT operated in conformity with the objectives set in the St Antoine Planters Co-operative Trust Act, 1994 and in line with the principles of good governance. The SAPCT Board of Trustees and Management staff of the SAPCT fully support and are committed to the practices of business integrity, transparency and professionalism, responsibility and ongoing compliance with the Code of Corporate Governance.

Though the revenue from investments of funds has not increased substantially, the SAPCT increased the financial grants under the Cutting Loading and Transport and Purchase of Sprayers schemes to sugar cane planters cultivating not more than 6.5 hectares of land falling within the Ex-Saint Antoine Factory Area. Planters who are replanting their fields with own funds are now eligible for a subsidy on fertilizer applied. These measures encourage these planters to keep up their sugar cane cultivation. Now with a more stable Key Rate, the SAPCT will be able to finance new schemes or review the existing schemes. The objects the Trust must be reviewed to enable diversification of activities so that the planters can overcome the challenges for a sustainable production.

I wish to extend my deep appreciation to my fellow colleagues on the Board for their unflinching support. A note of thanks to the Secretary/Manager for his continued hard work and commitment towards the Trust. I have no doubt that this Trust will consistently deliver the services with excellence and hope that the stakeholders will have a clear picture of the different of activities carried out by the Trust.

C. Dabydoyal  
Chairman SAPCT

### **Risk Management**

The Organization Risk Management Framework, operational since 2014 is now an essential strategic tool to ensure that SAPCT achieves its objectives. Risk Management is now embedded in both SAPCT operations and organization's culture.

The SAPCT Board has the ultimate responsibility for risk management. This responsibility is then delegated to the Secretary/Manager for day-to-day management. This exercise is done on a regular basis by the Secretary/Manager. Result of this exercise is then discussed with the SAPCT Board and necessary action is taken as per Board decision.

The three top risks identified and being constantly managed and monitored at Board and management level are:

#### **(i) Fund Investment Risk**

Investing all the funds with one banking institution is quite risky. To reduce the risk the Board had set up an investment threshold that should be respected whenever an investment is being made.

#### **(ii) Risk of events which may affect business continuity**

There are many events that can prevent the organization from continuing its normal operations. The SAPCT has identified events for which it is prepared.

#### **(iii) Risk of non-compliance to statutory requirements**

The SAPCT Act and Statutory Bodies (Account & Audit) Act lays down the statutory requirement in respect of submission of statements to assess the efficiency of the organization, submission of an Annual Report including the financial statements within four month of the end of the financial year to the Director of Audit. Given the existence of various constraints which may hamper the achievement of these statutory obligations, SAPCT has recognized same as a risk that should be managed.

Such systems should ensure that all functions are in line with best practices, that all transactions are authorized and recorded and that any material weaknesses or irregularities are detected and rectified within reasonable time-frame. Controls are reviewed on an on-going basis by the management and Board.

The Board is kept informed of the progress on the implementation of the recommendations either through feedback reports from management or by follow-up exercise.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with IPSASs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing St Antoine Planters Co-operative Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the St Antoine Planters Co-operative Trust's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the St Antoine Planters Co-operative Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the St Antoine Planters Co-operative Trust's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the St Antoine Planters Co-operative Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

### **Opinion**

#### ***Statutory Bodies (Accounts and Audit) Act***

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

In accordance with the requirements of the Statutory Bodies (Accounts and Audit) Act, I report as follows:

- (a) this Act and, in so far as it relates to the accounts, has been complied with. No direction relating to the accounts has been issued by the responsible Minister to the St Antoine Planters Co-operative Trust;

### ***Public Procurement Act***

In accordance with the requirement of the Public Procurement Act, the auditor of every public body shall state in his annual report whether the provisions of Part V of the Act have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it could be ascertained from my examination of the relevant records.

### **Basis for Opinion**

I performed procedures, including the assessment of the risks of non-compliance with laws and regulations, to obtain audit evidence to discharge my responsibilities as described in the 'Auditor's Responsibilities' section of my report as referred to below. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### ***Management's Responsibilities for Compliance***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible to ensure that the St Antoine Planters Co-operative Trust's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in the entity's financial statements.

### ***Auditor's Responsibilities***

In addition to the responsibility to express an opinion on the financial statements described above, I am also responsible to report to the Board whether:

- (a) I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;
- (b) the Statutory Bodies (Accounts and Audit) Act and any directions of the Minister, in so far as they relate to the accounts, have been complied with;
- (c) in my opinion, and, as far as could be ascertained from my examination of the financial statements submitted to me, any expenditure incurred was of an extravagant or wasteful nature, judged by normal commercial practice and prudence;
