Chairman Report

On the behalf of the Board Members and Management of the St Antoine Planters Co-operative

Trust, I have the privilege to associate myself with this Annual Report 2021-2022.

The Report highlights the achievements of the St Antoine Planters Co-operative Trust (SAPCT)

during the financial year and gives an insight of its objectives, mandate, Governance structure

and the framework within which the operations were carried out.

The SAPCT operated in conformity with the objectives set in the St Antoine Planters Co-

operative Trust Act, 1994 and in line with the principles of good governance. The SAPCT Board

of Trustees and Management staff of the SAPCT fully support and are committed to the practices

of business integrity, transparency and professionalism, responsibility and ongoing compliance

with the Code of Corporate Governance.

Over the years, there has been a drastic decrease in the revenue from investments of funds due to

fall in the Repo Rate. The SAPCT has, however, maintained the financial grants under the

Cutting Loading and Transport and Purchase of Sprayers schemes to sugar cane planters

cultivating not more than 6.5 hectares of land falling within the Ex-Saint Antoine Factory Area.

These measures encourage these planters to keep up their sugar cane cultivation.

I am confident that this Trust will consistently deliver the services with excellence and hope that

the stakeholders will have a clear picture of the different of activities carried out by the Trust.

#### Risk Management

The Organization Risk Management Framework, operational since 2014 is now an essential strategic tool to ensure that SAPCT achieves its objectives. Risk Management is now embedded in both SAPCT operations and organization's culture.

The SAPCT Board has the ultimate responsibility for risk management. This responsibility is then delegated to the Secretary/Manager for day—to-day management. This exercise is done on a regular basis by the Secretary/Manager. Result of this exercise is then discussed with the SAPCT Board and necessary action is taken as per Board decision.

The three top risks identified and being constantly managed and monitored at Board and management level are:

#### (i) Fund Investment Risk

Investing all the funds with one banking institution is quite risky. To reduce the risk the Board had set up an investment threshold that should be respected whenever an investment is being made.

#### (ii) Risk of events which may affect business continuity

There are many events that can prevent the organization from continuing its normal operations. The SAPCT has identified events for which it is prepared.

#### (iii) Risk of non-compliance to statutory requirements

The SAPCT Act and Statutory Bodies (Account & Audit) Act lays down the statutory requirement in respect of submission of statements to assess the efficiency of the organization, submission of an Annual Report including the financial statements within four month of the end of the financial year to the Director of Audit. Given the existence of various constraints which may hamper the achievement of these statutory obligations, SAPCT has recognized same as a risk that should be managed.

#### Management responsibility for the Internal Control System

The management is responsible for designing, implementing and maintaining internal systems relevant to the SAPCT functions including controls relevant to the preparation and presentation of the financial statements.

Such systems should ensure that all functions are in line with best practices, that all transactions are authorized and recorded and that any material weaknesses or irregularities are detected and rectified within reasonable time-frame. Controls are reviewed on an on-going basis by the management and Board.

The Board is kept informed of the progress on the implementation of the recommendations either through feedback reports from management or by follow-up exercise.

# R ORT OF THE RECTOR OF AUDIT

On the Financial Statements of the St. Antoine Planters Co-operative Trust for the year ended 30 June 2022

NATIONAL AUDIT OFFICE.

# NATIONAL AUDIT OFFICE

# REPORT OF THE DIRECTOR OF AUDIT TO THE BOARD OF TRUSTEES OF THE ST ANTOINE PLANTERS CO-OPERATIVE TRUST

# Report on the Audit of the Financial Statements

# Opinion

I have audited the financial statements of the St Antoine Planters Co-operative Trust, which comprise the statement of financial position as at 30 June 2022 and the statement of financial performance, statement of changes in net assets/equity, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the St Antoine Planters Co-operative Trust as at 30 June 2022, and of its financial performance and cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSASs).

# **Basis for Opinion**

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report. I am independent of the St Antoine Planters Co-operative Trust in accordance with the INTOSAI Code of Ethics, together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# **Key Audit Matters**

Key Audit Matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

I have determined that there are no key audit matters to communicate in my report.

#### Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report of the St Antoine Planters Co-operative Trust, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (IPSASs), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the St Antoine Planters Co-operative Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the St Antoine Planters Co-operative Trust's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and
  obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion.
  The risk of not detecting a material misstatement resulting from fraud is higher than for
  one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the St Antoine Planters Co-operative Trust's internal
  control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the St Antoine Planters Co-operative Trust's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the St Antoine Planters Co-operative Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Report on Other Legal and Regulatory Requirements

# Management's Responsibilities for Compliance

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible to ensure that the St Antoine Planters Co-operative Trust's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in an entity's financial statements.

# Auditor's Responsibilities

In addition to the responsibility to express an opinion on the financial statements described above, I am also responsible to report to the Board of Trustees whether:

 I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;

- (b) the Statutory Bodies (Accounts and Audit) Act and any directions of the Minister, in so far as they relate to the accounts, have been complied with:
- (c) in my opinion, and, as far as could be ascertained from my examination of the financial statements submitted to me, any expenditure incurred is of an extravagant or wasteful nature, judged by normal commercial practice and prudence;
- in my opinion, the St Antoine Planters Co-operative Trust has been applying its resources and carrying out its operations economically, efficiently and effectively; and
- (e) the provisions of Part V of the Public Procurement Act regarding the bidding process have been complied with.

I performed procedures, including the assessment of the risks of material non-compliance, to obtain audit evidence to discharge the above responsibilities.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# Statutory Bodies (Accounts and Audit) Act

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

As far as it could be ascertained from my examination of the relevant records:

- (a) the St Antoine Planters Co-operative Trust has complied with the Statutory Bodies (Accounts and Audit) Act; and
- (b) no direction relating to the accounts has been issued by the responsible Minister to St Antoine Planters Co-operative Trust.

Based on my examination of the records of St Antoine Planters Co-operative Trust, nothing has come to my attention that causes me to believe that:

- expenditure incurred was of an extravagant or wasteful nature, judged by normal commercial practice and prudence; and
- (b) the Trust has not applied its resources and carried out its operations economically, efficiently and effectively.

#### Public Procurement Act

In my opinion, the provisions of Part V of the Act have been complied with as far as it could be ascertained from my examination of the relevant records.

# 2 BASIS OF PREPARATION

#### (a) Statement of Compliance

The financial statements have been prepared in accordance with International Public Sector Accounting Standards ("IPSAS") issued by the International Public Sector Accounting Standards Board (IPSASB) which is a Board of the International Federation of Accountants Committee (IFAC).

#### (b) Going Concern

The financial statements have been prepared on a going concern basis and the accounting policies have been applied consistently throughout the period. They have been prepared on the historical cost basis.

# (c) Use of Estimate

The preparation of financial statements in conformity with IPSAS requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of financial statements and the reported amounts of revenue and expenses during the reporting period.

In the application of the SAPCT's accounting policies, which are described in Note 4, management are required to make judgements, estimates, and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant.

Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the estimate affects only that period or in the period of revision and future periods if the revision affects both current and future periods.
